

CONSIGNMENT TERMS & CONDITIONS

How does it work?

- Your preloved/new babies/children's items are taken on consignment.
- You as a consignor (supplier), **will receive 40% of the sale price per item** with remittance received at the start of each month for sales completed the month prior.
- Consignment periods run for a **total of 6 months from listing** where items are both listed online and sold at markets during this period.
- At the conclusion of the 6 month period there is a **final two-week sale period at 30% off** to help clear the remaining stock.
- Once we receive your consignment goods, they will be assessed using our **Quality Standards Guide**, laundered using **The Dirt Company products**, priced at our discretion, photographed and uploaded onto our website.
- Simply complete the fill in the 'sell with us' form at the bottom of this page and we will be in contact with you.

How do I get my items to you?

- If you are a resident of the NSW Hunter Valley region then we will organise a drop-off day/time.
- If you are not local, simply package your items and send to us via Australia Post or other shipping agent.
- **Please note** that we are not able to cover the cost of shipping. We recommend sending us a minimum of 20 items to make the postage cost worthwhile.

How do I receive my payout?

- You will receive your consignment cash at the start of each month for sales completed the month prior.
- Consignment cash can be in the form of a **store credit, bank transfer/PayID or Paypal Money**. Please provide us with these details once your consignment spot is secured.
